

# Company Profile

# About Company

Sri Satyam Computech is an ISO-certified, MSME, and SEZ-supplied leader in IT and connectivity solutions, proudly serving organizations across Telangana and Andhra Pradesh since 2014. As a Tier-3 partner of major brands like Dell, HP, and Lenovo, we specialize in comprehensive sales, support, and service for all types of computers, laptops, and servers, holding a proven track record of selling up to 2,000 laptops annually. Our expertise extends to critical infrastructure, including networking, video conferencing, PA systems, and CC camera solutions, demonstrated by our successful completion of over 200 projects in both the public and private sectors, driven by our commitment to innovation and delivering reliable, high-performance technology.

# Our Client List

# Our Locations

**2014-2023**

## **1<sup>ST</sup> BRANCH VISAKHAPATNAM**

The Foundational Hub and primary service center. \* Established our strong presence in Andhra Pradesh and built a proven track record (e.g., selling up to 2,000 laptops annually). \* Secured foundational partnerships (Tier-3 Dell, HP, Lenovo) and achieved ISO/MSME/SEZ certifications.

**2023-2024**

## **2<sup>ND</sup> BRANCH HYDERABAD**

A major expansion into the Telangana IT Corridor. \* Strategic move to serve the large public and private sector organizations in Hyderabad. \* Strengthens our capacity for Critical Infrastructure Projects (Networking, CC Camera, PA Systems, Video Conferencing).

**2025-2026**

## **3<sup>RD</sup> BRANCH VIJAYAWADA**

Expanding service reach in the Central Andhra region. \* Enhances support and service delivery across the Telangana-Andhra Pradesh region. \* Key to ensuring reliable, high-performance technology delivery for all clients.

**2025-2026**

## **4<sup>TH</sup> BRANCH BANGALORE**

Our planned entry into India's Premier IT Hub. \* Positions Sri Satyam Computech for National Expansion and scaling operations. \* A crucial step to leverage new partnerships and increase our capacity for complex, large-scale projects.

# Our Achievements

## Client Growth Trajectory (2014-Present)

### Timeline

2014-2017

2017-2019

2019-2021

2021-2023

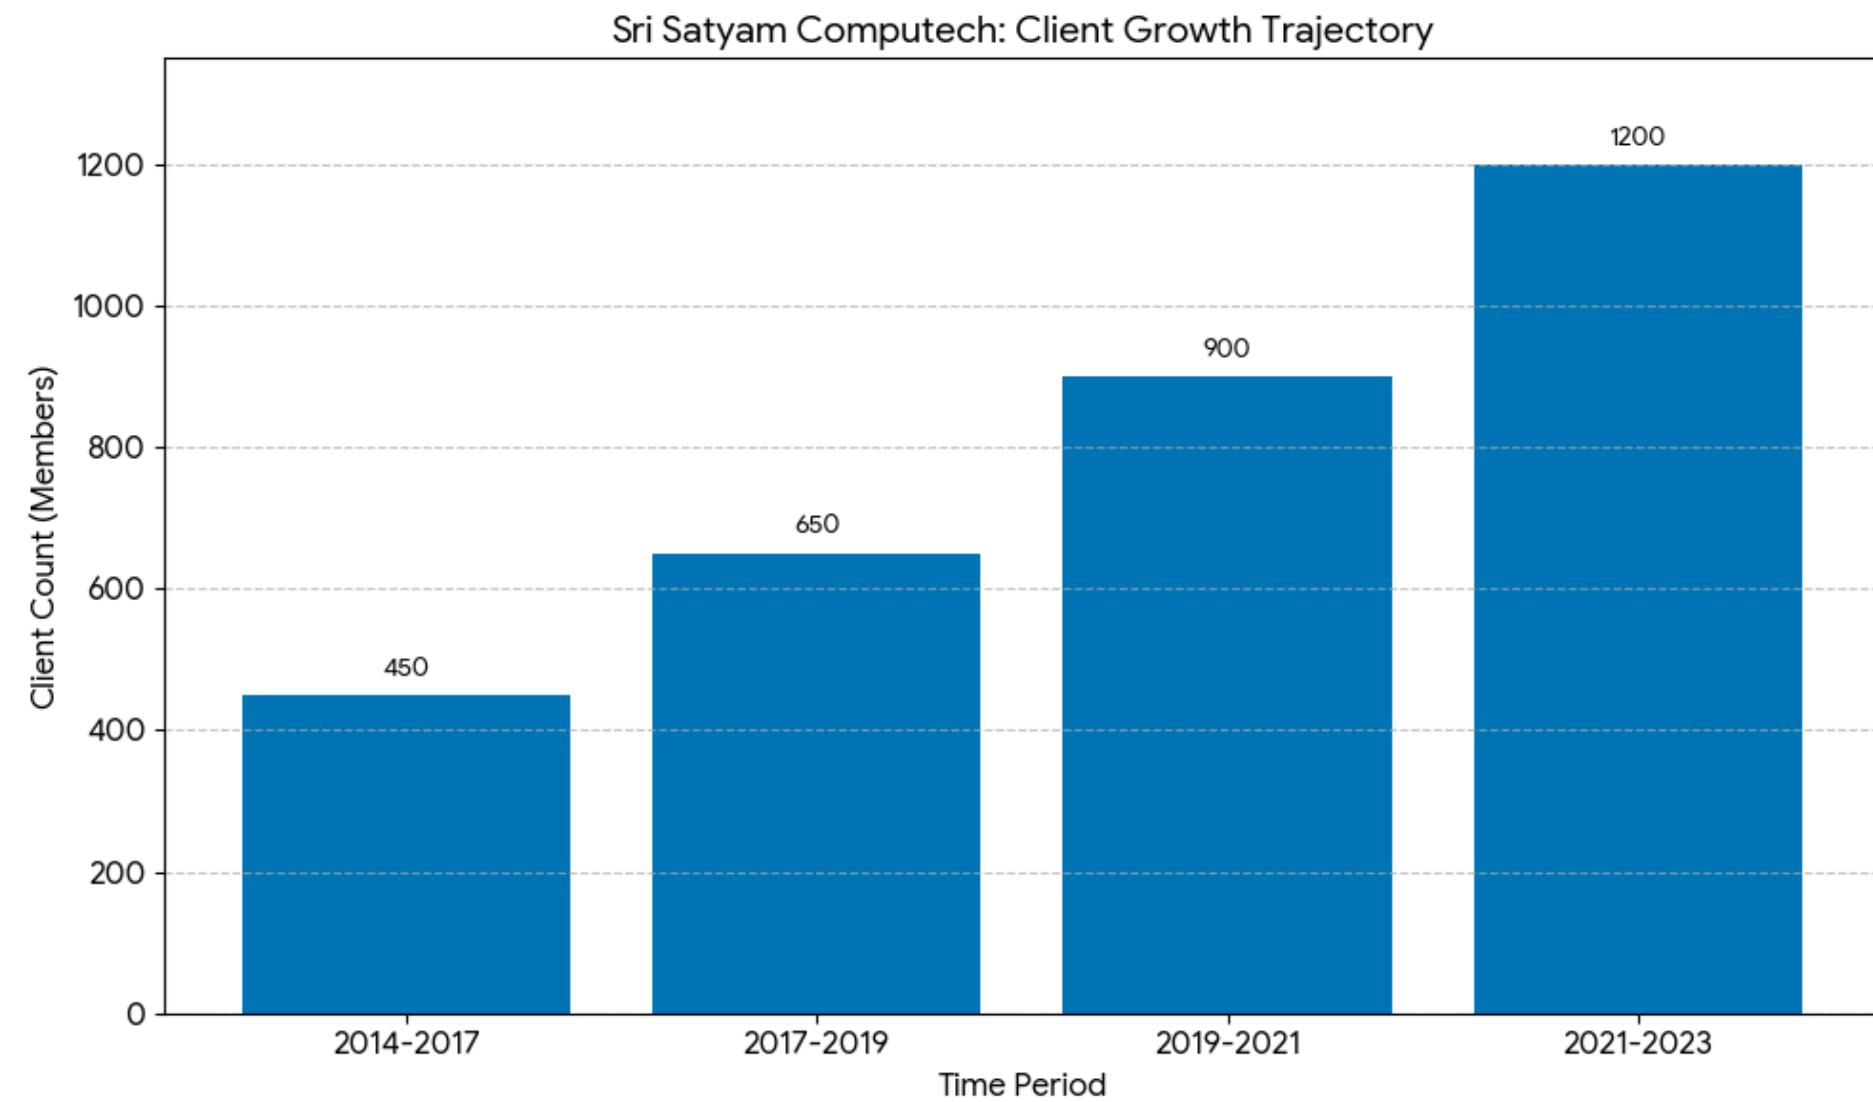

### Milestone Achievement

Foundational Client Base.

Accelerated Expansion.

Strong Market Penetration.

Current Strength.

### Key Achievements Highlight :

- 1200+ Clients: Demonstrates our consistent delivery of IT and connectivity solutions since 2014.
- 167% Growth: Over 167% growth in the client base from the 1st period (450) to the present (1200+), highlighting accelerating market trust.
- Proven Reliability: Success in serving diverse organizations across Telangana and Andhra Pradesh (as mentioned in your earlier context).

# Our Goals

## **CLIENT BASE GOAL:**

Target 2,000 Clients by the end of the 2025-2026 fiscal year, fueled by the expansion into Bangalore and Vijayawada.

## **REVENUE/SALES GOAL:**

Increase annual laptop and server sales to 3,500 units per year by leveraging new location networks.

## **PROJECT GOAL:**

Complete 500+ critical infrastructure projects (Networking, CC Cameras, PA Systems) cumulatively by 2026.

## **SERVICE EXCELLENCE GOAL:**

Maintain a client satisfaction rating of 95%+, reinforcing our position as a leader in comprehensive support and service.
